**THOUSANDS OF CONTRACTS, WORTH BILLIONS
OF DOLLARS, BYPASS SMALL BUSINESS EACH
YEAR...WAS YOUR BUSINESS ONE OF THEM?**

Government Procurement Solutions (GPS) has a mission of increasing the amount of contracts awarded to small businesses by government agencies. Every member of our team is integrally involved in, and dedicated to, all efforts we pursue.

We offer unparalleled knowledge of the government procurement process to negotiate the often complex maze of evolving rules, regulations and procedures that accompany doing business within the State, Federal and International marketplaces for our clients.

GPS is known for its professional and high quality standard in dealing with Small Business and Government Officials. Whether your company is trying to enter the government marketplace or is an established business, GPS can help you maximize your potential.
